

# Driver

Teachers: This worksheet can be adapted if you provide your students with an outline local map

Look at the map. The driver has to find his way through the town

1. Draw a line on the road from the house to school
2. Draw a line from school to the swimming pool
3. Draw a line on the road from the church to the harbour
4. Put a circle round the building site
5. Put an X on 2 factories
6. Put these lines on the bridges II

Match the Road signs

Stop

Danger

Crossing

No Entry

Draw some more signs here.....

Name..... Date.....
